

Vermont Genetics Network (VGN) Publication Citation Options for VGN Funded Research Beginning in 2005

The National Center for Research Resources of the NIH, which funds our Vermont Genetics Network, requires that we acknowledge them as the source of funding that supports your work whenever you publish papers, chapters, or abstracts or otherwise present your work. PLEASE help us to comply with their requirement by using one of the citations below.

FYI – IDeA Networks of Biomedical Research (INBRE)

This publication was made possible by the Vermont Genetics Network through Grant Number P20 RR16462 from the INBRE Program of the National Center for Research Resources (NCRR), a component of the National Institutes of Health (NIH). Its contents are solely the responsibility of the authors and do not necessarily represent the official views of NCRR or NIH.
